

# INSTRUCTIONS

**Contents: 72 cards, instructions**

The purpose of the game is to memorize 36 words from the category and develop speaking skills in English by describing words and asking the questions. Rivalry is an inherent part of gaming, it turns learning into an attractive and fun way of spending time with family and friends.

## MEMORY GAME

All cards are laid face down on the table. Each player, one by one, turns over two chosen cards and names each of them in English. If the pictures on the cards differ, the player puts them back face down. If they are the same, the player keeps them. The game ends when all the cards have been turned over. The winner is the player who gets the most pairs.

## ASK AND GUESS

One card of each pair is laid on the table, face down. One of the players chooses one card and takes it in such a way so that the others cannot see it. Each player, in turns, asks the questions and tries to guess the name of the card. The player who guesses the name of the picture, gets the card. The players change in clockwise direction. The player who gets the most cards is the winner.

## THE RACE FOR CARDS

One card of each pair is laid on the table, face down. The timer is set for 3 minutes. The first player takes the card, one by one and tries to describe the picture in such a way that the others guess its name. When the time finishes, the number of cards is counted up. The next player starts the race. The player who has successfully described the biggest number of cards within 3 minutes is the winner.
